a bride at last

here comes the bride until the groom's meddling grandfather interferes in this lively warmhearted novella from USA Today bestselling author Debbie Mason. It's autumn in the cozy little town of Highland Falls and for Sadie Gray it's the most romantic time of the year. Not to mention her life after all she's engaged to brilliant and gorgeous FBI agent Chase Roberts whose kisses warm her from head to toe on chilly evenings. But Sadie's having trouble convincing herself that she deserves this much happiness and deserves him. And the worst part is that Chase's family seems to agree. Chase loves his grandfather but he won't let anything or anyone get between him and Sadie, especially when Chase has never felt this way about another woman. But when Sadie and Chase start planning to say their "I do's" on a reality TV show, Chase's grandfather goes from disapproving to full-on wedding sabotage mode. Now Chase and Sadie's special day is quickly turning into a disastrous three-ring circus. Can Chase and Sadie find their way back to each other before their wedding turns into a happily never after?

a delightful small town romance between a daycare teacher and single dad who must overcome their differences to help plan the ultimate wedding they've driven each other crazy for years. But were they fighting each other or the chemistry between them? As the youngest in her loving overprotective family, Savannah Lowe has always gone with the flow instead of going out on a limb. Until now her new job running a preschool requires her to be all in. If only the father of one of her students wasn't her brother's incredibly infuriating, impossibly attractive best friend. Savannah has no clue what she ever did to make him dislike her, and now they're stuck spending even more time together planning her brother's wedding. Single father Noah Adams has his hands full between his job as a paramedic and caring for his young daughter. The last thing he needs is a complication like Savannah in his life. A girl he remembers being constantly pampered by her family, but the more he gets to know her, the more he sees how kind and compassionate she really is. Now their long-ignored off-the-charts chemistry has them on a collision course with each other.

a personal attack and threats delivered to her phone. These are just a few horrors Abby is running from. She's run back to school to escape, but can she now? Things are only getting worse. Her friends think she needs a keeper. She thinks differently, but proving it to them is a challenge, especially when it comes to convincing Max Knightly, who seems determined to protect her. Max has been watching her closely since her recent diagnosis of diabetes, but he quickly finds there is more going on in Abby's life than

just an illness someone is after her the question is who and just when she seems free of danger all hell breaks loose
