orderliness refers to the fact of having a regular proper and systematic arrangement it is the quality of being in a good order orderliness is being in an ordered manner an orderly thing can be by virtue of being methodical and well organized god likes and cherishes orderliness and doing things orderly the word of god says let all things be done decently and in order 1 cor 14 40 in manner behaviour and actions orderliness has to do with obedience to the word of god disobedience is disorderliness when god sent king

saul on a mission to annihilate the amalekites and their livestock he obeyed but his obedience was partial obedience which god counted as disobedience and his story is a pathetic story because he might have done what he did with good intentions but what is good in disobeying god s word command and instructions he was disorderly and disobedient before the almighty there should be orderliness in the church in the family in the society etc

there are many devotional books available containing brief daily inspirations that benefit all who read them this book is different in two respects the first is obvious it contains two readings per day 732 in all the second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others the messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging most of these writings were based on author michael j akers s teaching of adult bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the word of god

diligence to the things of god begins by sharing a pair of basic insights diligence is the key to power with god it is the path to living an effective christian life beginning with these two truths and drawing upon the inspired stories contained in the bible sheldon d newton focuses on the calling to be diligent to the things of god he defines diligence describes how to form good habits commends diligence to god s word calls for diligence in one s prayer life advocates for steering clear of strife encourages diligence in one s stewardship of money and concludes by calling readers to live diligently for a higher purpose reaching helping and influencing people so that they may come to know and to trust in jesus christ diligence to the things of god speaks to people who desire to work hard to reach their desired destinations both in their day to day lives and in their pursuit of the kingdom of god it offers encouragement to anyone who wants to move beyond laziness in his or her spiritual life and to become all that the father jehovah god envisions for a full life it holds out diligence as the key missing link between desire and fulfillment
