it won t be an exaggeration to say that the whole movement of the civilization is centered around sex and yet it is the least understood aspect of our everyday life this lack of understanding has lead to centuries of suppression and sensationalism which is at the root of all kinds of insanity a sensitive mind perceives in their life at one point the author says know the body but don t say no to the body just to point at our acquired heedlessness towards the body this book becomes an ideal medium through which one can appreciate the intricacies of a sexual relationship and rise above the social taboo it is a collection of discourses given by acharya prashant where he not only probes deeper into the physical as well as social aspects of the human

relationships but with the touch of the mystical he gives us a glimpse of an altogether new way of living

the encyclopedia of human development is the first comprehensive authoritative and informative reference work that presents state of the art research and ready to use facts from the fields of psychology individual and family studies and education in a way that is not too technical with more than 600 entries this three volume encyclopedia covers topics as diverse as adolescence cognitive development education family gender differences identity longitudinal research personality development prenatal development temperament and more

incorporating the most up to date literature in sociology psychoanalysis psychology and communication this book provides an exhaustive synthesis of theoretical empirical and clinical research on personal relationships prager explores the complex interconnections between intimacy and individual development examining relationships from intimacy to old age in their social cultural and gender contexts and constructing an innovative multi tiered model of intimate relating the book also delves into the thoughts and emotions people experience when they behave intimately with each other and asks how intimate relationships come to be satisfying stable and harmonious for the people involved this book will be of interest to researchers educators students and practitioners who study or treat close relationships it will also serve as an invaluable text for advanced undergraduate and graduate courses on personal relationships intimacy and family relations

the sexual revolution an evocative term but what meaning can be given to it today how does sexuality come into being and what connections does it have with the changes that have affected personal life more

generally in answering these questions the author disputes many of the dominant interpretations of the role of sexuality in modern culture the author suggests that the revolutionary changes in which sexuality has become caught up are more long term than generally conceded he sees them as intrinsic to the development of modern societies as a whole and to the broad characteristics of that development sexuality as we know it today is a creation of modernity a terrain upon which the contradictory tendencies of modern social life play themselves out in full emancipation and oppression opportunity and risk these have become a part of a heady mix that irresistably ties our individual lives to global outcomes and the transformation of intimacy we live today in a social order in which for the first time in history women are becoming equal to men or at least have lodged a claim to such equality as their right the author does not attempt to analyze the gender inequalities that persist in the economic or political domains but instead concentrates on a more hidden personal area in which women ordinary women in the course of their day to day lives quite apart from any political agenda have pioneered changes of great and generalizable importance these changes essentially concern an exploration of the potentialities of the pure relationship a relationship that presumes sexual and emotional equality and is explosive in its connotations for pre existing relations of power the author analyzes the emergence of what he calls plastic sexuality sexuality freed from its intrinsic relation to reproduction in terms of the emotional emancipation implicit in the pure relationship as well as women's claim to sexual pleasure plastic sexuality is decentered sexuality freed from both reproduction and subservience to a fixed object it can be molded as a trait of personality and thus become bound up with the reflexivity of the self premised on plastic sexuality the pure relationship is not exclusively heterosexual it is neutral in terms of sexual orientation the author speculates that the transformation of intimacy might be a subversive influence

on modern institutions as a whole for a social world in which the dominant ideal was to achieve intrinsic rewards from the company of others might be vastly different from that which we know at the present

instant new york times bestseller this book feels so hopeful because it's direct it's really honest and it's so actionable brene brown from new york times bestselling authors dr john gottman and dr julie schwartz gottman a simple yet powerful plan to transform your relationship in seven days what makes love last why does one couple stay together forever while another falls apart and most importantly is there a scientific formula for love drs john gottman and julie schwartz gottman are the world's leading relationship scientists for the past forty years they have been studying love they've gathered data on over three thousand couples looking at everything from their body language to the way they converse to their stress hormone levels their goal to identify the building blocks of love the love prescription distills their life's work into a bite size seven day action plan with easy immediately actionable steps there will be no grand gestures and no big hard conversations there's nothing to buy or do to prepare anyone can do this from any starting point the seven day prescription will lead you through these exercises day 1 make contact day 2 ask a big question day 3 say thank you day 4 give a real compliment day 5 ask for what you need day 6 reach out and touch day 7 declare a date night there is a formula for a good relationship and this book will show you how a few small changes can fundamentally transform your relationship for the better

from kindergarten we were taught mathematics and other subjects in school throughout the formative period of a child rarely is the child taught bedmatics in school whenever issues related to bedmatics come up it is usually discussed perfunctorily for fear of corrupting the child this is commendable anyway because a child

needs to be denied certain information considered too critical for his level of thinking and development but same is not true for adult every adult should be rooted in the knowledge of bedmatics especially as he she gets entangled i know at this point you will be wondering what i mean by bedmatics oooooops i need your curiosity aroused to that level bedmatics 101 is packaged to give you an all round education about sex put differently it is a sex education package it is designed to give you superb and exceptional enlightenment on all issues about sex intimacy and vital issues in marriage committed relationships because of intended holistic approach to ensure adequate coverage of broad issues in sex education this book will come in series this is the first in the series where we laid a solid foundation for far more interesting educating and entertaining packages coming up in other series sex education is very important for every successful marriage committed relationship because sex is like a glue that binds couples together emotionally physically psychologically and physiologically sex education becomes inevitable for every adult both single and married as we roll out the books in series we shall dissect and lay bare the science and art of sex the books will also touch on other vital issues relating to intimacy in marriage reproductive health sexual problems solutions emotional problems solutions and a lot more information in this book and subsequent ones are top notch as they are sieved from over 20 years of professional experience as a sexologist marriage counselor as well as painstaking scientific researches unlike other books out there that feed you with unbalanced diet this book comes with full nutrients and can be considered a complete package all you need do is to keep tab as we roll out the series one after the other and enjoy the intellectual delicacies for the betterment of your life and intimate relationships

a book about intimacy and sex in marriage is hardly unique but a no nonsense text written by a board certified urologist and a licensed psychotherapist who work in tandem to treat and educate their patients is something new and special together rapini and khera have provided medical treatment and emotional guidance to couples searching for greater intimacy better sex and happier marriages they observe on a daily basis that if one partner has psychological or medical issues both partners are affected so they work with couples as they treat the problems of individuals in this book they invite couples to consider together issues ranging from communication and intimacy to erectile dysfunction and loss of sexual desire

daily habits of marital intimacy shows you how to invite jesus into your marital journey as it takes you through your own personal history expectations and desires every chapter provides models and exercises to help you better know yourself and your partner always keeping jesus at the center of your marriage
