the lens of perception the part of human consciousness that experiences reality is a core concept in virtually every spiritual and psychological tradition from ancient buddhism to native american shamanism to jungian psychology hal zina bennett proposes that if we can comprehend and harness this consciousness we can shape our experiences and fulfill our greatest potential by deconstructing the inner workings of the human mind this skillfully

written book unravels the gordian knot of reality itself a guided tour of human consciousness that takes the reader from individual self awareness to becoming the co creator of reality an underground cult favorite that was way ahead of its time reissued as a new thought classic in a freshly revised third edition thanks to the success of the film what the bleep do we know which has grossed over 12 million and inspired hundreds of online discussion groups alternative consciousness is hot again

one of the clearest most thorough step by step guides to the spiritual path keys to higher consciousness expertly explores meditation personal fulfillment the world s major religions yoga mysticism metaphysics with 57 chapters for the mildly curious reader as well as the advanced seeker keys is filled with explanations techniques which describe reveal our superconscious talents ecstasy the threshold initiation awakening levels of awareness modern life s amazing possibilities keys features ten interviews with religious leaders a catholic bishop archbishop a baptist missionary two rabbis a prominent muslim hindu the eminent dr william hornaday on metaphysics piyadassi on buddhism swahananda on vedanta ledgerwood regarded as a master of higher consciousness around the world is one of the most authoritative articulate spokespersons on these subjects he has taught tens of thousands of students over the past twenty years a classic will be read by generations says dr pat kubis the best book on human potential ever according to ross stoutenborough president of a computer consulting firm what a wonderful thing for the world says archbishop tomas clavel inspiring but never obscure keys speaks of the loftiest subjects in a voice we can all understand

surprise february 1 1991 what would you do if one night while you were sleeping you were suddenly awakened and you noticed that your left hand was moving without your help ideas were flowing through you and being written by your left hand you ask what s going on and you are told that this process is voluntary and can be stopped at any time what would you do would you panic or would you experiment with it and see what you got in 1991 this actual experience happened to businessman don marr he had no previous experience as a writer and no affiliation with any religious organization for several months he was awakened exactly at 3 30 a m and the process continued this information seemed other worldly or of a spiritual nature as he compiled this information he organized it into several essays each one answered a specific question man has always wondered about what questions do you have this information may answer many questions you have about life or may raise more questions have you ever asked who you were what is love what is god s will for me you may be surprised by the answers don received these middle of the night experiences have resulted in three books the first a gateway to higher consciousness

is a formula or guide to assist you in accessing your higher self or soul for direct communication following this information don then co created a second book my father calls me one man s way back to god this was followed by a third book called the embodiment of god as a whole being at 1

a must read that is astonishing profound timeless and transforming if there is one book you read on higher consciousness karma the now divine love and personal and spiritual transformation this is it feel the shift as you read this work as it helps to increase your awareness to become the consciousness transformers and change agents for our new golden age of spirituality 12 informative chapters inspired from the traditional and contemporary eastern philosophy and spirituality of the wisdom of the great saints and mystics with some western flavor here is a unique blend of east meets west for the curious and sincere seeker to the more advanced and experienced aspirant traveling on the journey of inner light and sound this inspired work is designed to help and encourage you to tap within to obtain self love and inner peace so that one by one we obtain global peace and love in preparation for entering our new golden age

now more than ever humankind is in need of developing its higher consciousness to heal itself and earth and to experience life in a much more meaningful way by expanding our consciousness we can see the connections and unity that exist in all reality and we might see objects with sharper colors hear sounds with greater clarity or even experience two sensations simultaneously in this book you will explore the fascinating multidimensionality that is yours for the taking you might think that the mind is in the cells but in reality the mind also exists as an energy field located in the aura meaning the mind exists in a realm that in part is in the third dimension but also exists in other dimensions as well the mind is naturally multidimensional vywamus chapters include the laws of consciousness the next step for humanity thought fields superintelligence a new consciousness quantum cohesiveness unified consciousness and earth s noosphere the intersection of the dimensions folding the space time continuum and much much more

for aruludaiyaar 40 years of research in consciousness while serving in the world brought him here to tell you the greatnews that we do not have to die to go to heaven and live this universal spiritual fraternity of the souls we can have it now if we become aware that heaven is ours by acting with kindness and love we participate individually and collectively in its manifestation on earth for this to happen we need to put into action all the treasures of perfection inherent in our soul heaven is a world where we are at peace in our mind turned towards all what is good life gives us all that is best when we act towards all lives with respect and compassion the whole world may be transformed into heaven now

the infirm can walk again the sick can be cured wars can be stopped and all people can be fed how and when does heaven become our choice for all this is possible now only if we behave with compassion in our heart in our mind and in our actions towards all lives so that heaven becomes a living reality for all to live in heaven is a conscious choice when we are going to say stop to all that is harmful and toxic to life we will be able to experience the peace and the bliss of grace and share it with all living beings beyond all cleavages we already have something good in us heaven is already within us it will appear on earth according to our determination to live it now through our mind our heart and our actions it is by living more and more in synchronicity with life with compassion towards all life that heaven will become a living reality for everyone the universal brotherhood will appear on earth when a sufficient number of people will start to desire it and act for the good of all heavenly life on earth or the creation of a universal brotherhood is the greatest gift that life is offering us now this book conceived and delivered to the world with the grace of ramalinga vallalar can become a guide for all those who have faith in the power of light over the mind body and matter to create a divinely life on earth

for thousands of years voyagers of inner space spiritual seekers shamans and mystics have returned from their inner travels reporting another level of reality that is more real than the one we inhabit in waking life others have claimed that under the influence of mysterious substances known as entheogens the everyday human mind can be given glimpses of this multidimensional realm of existence using information from the cutting edge of modern science peake presents a startling new hypothesis that these inner worlds are as real or possibly even more real than the reality we experience in waking life as his starting point peake examines the widespread historical belief that the mid brain's pine cone shaped pineal gland activates the third eye described by mystics and seers through careful analysis of ancient religious texts and artifacts he gives evidence that the spiritual properties of the pineal gland have been embedded in myths and cultures across the globe why else would the buddha so often be found wearing a pine cone hat peake then shows that it is through this small organ that we experience lucid dreaming out of body experiences hypnagogic imagery near death experiences astral travel and the kundalini experience the book ends with the mind blowing conclusion that all living beings are one unitary consciousness experiencing itself subjectively
