in this most up to date study aaron yom provides a comprehensive analysis of the doctrine of god particularly from a pneumatological perspective he focuses on retrieving the order of god that has been consistently misunderstood and mistreated by modern scholars the author carefully examines scholarly works of modern thinkers such as karl barth thomas torrance karl rahner david coffey jürgen moltmann clark pinnock and stanley grenz as well as ancient masters such as augustine and aquinas with a critical analysis he highlights the strengths and weaknesses of their work to lay a foundational platform for understanding god s order in the twenty first century theological context yom proposes a holistic approach that does not marginalize the logic of the trinity that begins with god s order of ontology rather than god s order of economy though the former is read from the latter he maintains the intricate balance of the immanent trinity and the

economic trinity with his newfound principle of identity and duality yom offers several new theological paradigms for those who are interested in the topic of systematic theology

the most important theological work of the 20th century in a new edition now available in individual volumes

deification was not only a pagan concept but a metaphor for a deeply christian view of the purpose of human life this title brings together much recent research on the church fathers from the second to the seventh centuries offering an analysis of their spiritual teaching and setting it within the context of the times

one of the great twentieth century works of theology emil brunner s dogmatics series presents a profoundly biblical systematic theology finding a path between barth and bultmann brunner explores key doctrines such as the doctrine of god creation and redemption and the doctrine of the church and of faith these foundational texts from a leading theologian of the 20th century are crucial for scholars and students illuminating how modern protestant theology was formed in the last century the first volume serves as an introduction to brunner s view of dogmatics setting out the nature position and necessity of dogmatics before exploring the many facets of the doctrine of god in detailed vigorous explanation brunner considers the nature and will of god including his name his holiness his wisdom and his glory thorough insightful and extensive this first volume is an illuminating beginning to this series the second volume explores the fundamental concepts of the protestant doctrine from creation and the creator to man s position within creation sin and its consequences and the saving work of jesus brunner explores all of the possibilities of these fundamentals and his detailed thoughtful arguments are designed as he says to set us free to have a faith which is based on nothing save the love of god revealed in jesus christ the third and final volume focusses on the theology of the church as a reflection of god s self revelation through the holy spirit and an eternal consummation of divine self communication drawing together the understanding gleaned in the previous two volumes brunner addresses the nature of the church and faith to bring his systematic biblical theology into the experiences of his readers

recognized as a masterly commentary when it first appeared frederick dale bruner s study of matthew is now available as a greatly revised and expanded two volume work the result of seven years of careful refinement enrichment and updating through this commentary crafted especially for teachers pastors and bible students bruner aims to help god s people love what matthew s gospel says bruner s work is at once broadly historical and deeply theological it is historical in drawing extensively on great church teachers through the centuries and on the classical christian creeds and confessions it is theological in that it unpacks the doctrines in each passage chapter and section of the gospel consciously attempting to bridge past and present bruner asks both what matthew s gospel said to its first hearers and what it says to readers today as a result his commentary is profoundly relevant to contemporary congregations and to those who guide them bruner s commentary is replete with lively verse by verse discussion of matthew s text while each chapter expounds a specific topic or doctrine the book s format consists of a vivid original

translation of the text followed by faithful exegesis and critical analysis a survey of historical commentary on the text and current applications of the text or theme under study in this revision bruner continues to draw on the best in modern scholarship including recent work by w d davies and dale c allison jr by ulrich luz and by many others adding new voices to the reading of matthew at the same time he cites the classic commentaries of chrysostom jerome augustine luther calvin bengel and the rest who like bruner himself were not simply doctrinal teachers but also careful exegetes of scripture such breadth and depth of learning assure that bruner s matthew will remain as a reviewer for interpretation wrote the most dog eared commentary on the shelf volume 1 of bruner s commentary is called the christbook because the first twelve chapters of matthew are focused on the nature and work of christ as bruner proceeds through these chapters he shows how matthew presents step by step central themes of christology jesus coming chapters 1 4 his teaching 5 7 his miracles 8 9 his sermon on mission 10 and his person 11 12 throughout the book there are also thoughtful discussions of significant topics such as baptism marriage jewish christian relations and heaven and hell eminently readable rich in biblical insight and ecumenical in tone bruner s two volume commentary on matthew now stands among the best in the field

classical calvinist modified calvinist classical arminian and open theist views are evenly and productively discussed in perspectives on the doctrine of god
