this text uses realistic case examples discussion questions and self tests to illustrate principles of workplace psychology each chapter begins by posing a difficult work situation which may be a conflict a motivation problem or an issue of diversity then goes on to discuss principles and theories that apply to the case covering areas of ethics problem employees and organizational culture as well as neglected areas such as the physical atmosphere of the workplace the effects of new technologies on workers and workplace gossip harris teaches management at the university of louisiana monroe hartman at the university of new orleans annotation copyrighted by book news inc portland or

presents the research and cases that focus on the professional responsibilities of accountants and how they deal with the ethical issues they face this title features articles on a broad range of important topics including professionalism social responsibility ethical judgment and accountability

behavior modification principles and practice third edition helps students master the principles and concepts of behavior modification before they move on to the procedures the author uses a precise step by step scientific approach to explain human behavior using numerous case studies and interesting examples to help illustrate the key principles each concept is presented explained and clarified by discussing pertinent research and is then brought into focus with examples showing how each behavioral principle can be applied to everyday life this approach gives students a chance to understand why they might use a particular procedure before they actually use it current scholarship engaging authorship ample graphs and illustrations and a clear organization make miltenberger s text very accessible even for students with no background in psychology professors and students find the applications and misapplications of behavioral principles especially helpful as these end of chapter features give readers a feel for the concepts they ve just explored

organizational behavior eighth edition continues in its tradition of being an up to date relevant and user driven textbook kreitner and kinicki s approach to organizational behavior is based on the authors belief that reading a comprehensive textbook is hard work but that the process should be interesting and sometimes fun thus they consistently attempt to find a way to make complex ideas understandable through clear and concise explanations contemporary examples a visually appealing photo art program and or learning exercises with every edition the authors make every effort to respond to user feedback and ensure the text covers the very latest ob research and practices the cover again depicts the well known wolf brand but this time with a black and white illustration of two wolves this remains a central theme because kreitner and kinicki see wolves as an instructive and inspiring metaphor for modern organizational behavior wolves are dedicated team players great communicators and adaptable these are key success attributes in today s workplace
