we are living through the endtimes of the civilizing mission the ineffectual international criminal court and its disastrous first prosecutor luis moreno ocampo along with the failure in syria of the responsibility to protect are the latest pieces of evidence not of transient misfortunes but of fatal structural defects in international humanism whether it is the increase in deadly attacks on aid workers the torture and disappearing of al qaeda suspects by american officials the flouting of international law by states such as sri lanka and sudan or the shambles of the khmer rouge tribunal in phnom penh the prospect of one world under secular human rights law is receding what seemed like a dawn is in fact a sunset the foundations of universal liberal

norms and global governance are crumbling from the endtimes of human rights in a book that is at once passionate and provocative stephen hopgood argues against the conventional wisdom that the idea of universal human rights has become not only ill adapted to current realities but also overambitious and unresponsive a shift in the global balance of power away from the united states further undermines the foundations on which the global human rights regime is based american decline exposes the contradictions hypocrisies and weaknesses behind the attempt to enforce this regime around the world and opens the way for resurgent religious and sovereign actors to challenge human rights historically hopgood writes universal humanist norms inspired a sense of secular religiosity among the new middle classes of a rapidly modernizing europe human rights were the product of a particular worldview western european and christian and specific historical moments humanitarianism in the nineteenth century the aftermath of the holocaust they were an antidote to a troubling contradiction the coexistence of a belief in progress with horrifying violence and growing inequality the obsolescence of that founding purpose in the modern globalized world has hopgood asserts transformed the institutions created to perform it such as the international committee of the red cross and recently the international criminal court into self perpetuating structures of intermittent power and authority that mask their lack of democratic legitimacy and systematic ineffectiveness at their best they provide relief in extraordinary situations of great distress otherwise they are serving up a mixture of false hope and unaccountability sustained by human rights as a global brand the endtimes of human rights is sure to be controversial hopgood makes a plea for a new understanding of where hope lies for human rights a plea that mourns the promise but rejects the reality of universalism in favor of a less predictable encounter with the diverse realities of today s multipolar world

in recent years human rights have come under fire with the rise of political illiberalism and the coming to power of populist authoritarian leaders in many parts of the world who contest and dismiss the idea of human rights more surprisingly scholars and public intellectuals from both the progressive and the conservative side of the political spectrum have also been deeply critical dismissing human rights as flawed inadequate hegemonic or overreaching while acknowledging some of the shortcomings this book presents an experimentalist account of international human rights law and practice and argues that the human rights movement remains a powerful and appealing one with widespread traction in many parts of the globe using three case studies to illuminate the importance and vibrancy of the movement around the world the book argues that its potency and legitimacy rest on three main pillars first it is based on a deeply rooted and widely appealing moral discourse that integrates the three universal values of human dignity human welfare and human freedom second these values and their elaboration in international legal instruments have gained widespread even if thin agreement among states worldwide third human rights law and practice is highly dynamic with human rights being activated shaped and given meaning and impact

through the on going mobilization of affected individuals and groups and through their iterative engagement with multiple domestic and international institutions and processes the book offers an account of how the human rights movement has helped to promote human rights and positive social change and argues that the challenges of the current era provide good reasons to reform innovate and strengthen that movement rather than to abandon it or to herald its demise

this volume provides an innovative and engaging way of assessing the development of international law scholarship and practice to date and its potential future development by focusing upon the leading works of the discipline international law has established itself as an important area of academic study and legal practice given its academic legal and everyday significance and its prolific role within law school teaching and research it is important to question and analyse the development of international law exploring the complex and shifting interplay between law policy theory and culture and the role of international and national actors within a diverse and dynamic community of nations this collection presents contributions from leading scholars of public international law across the globe and the works chosen by the editor represent a diverse range of subjects within the broader discipline each chapter analyses the importance and legacy of a specific work with a view to reflecting upon how that publication has contributed to shaping the broader literature in the field of international law and how it may continue to have an influence on both scholarship and practice in the future taken as a whole the chapters included in this collection provide an original exploration of a variety of important themes about how the discipline has evolved over time the prologue and epilogue critically assess the development of international law in light of the reflections by contributors the book will be a valuable resource for lawyers international law practitioners students and academics alike

in recent times many people have come to realize that this world is approaching its end most believe that god is in control of how it will end and they are right not only is god in control he has a master endtime plan for this earth and its peoples moreover in his holy word the bible god has described his plan he has described it very clearly and in great detail this book describes the entire endtime scenario making it so simple anyone can understand it it reviews the scriptures that describe each major endtime happening and other scriptures that explicitly define the chronological sequence for those happenings it identifies several calendar timelines within the scriptures that measure the precise times between various endtime happenings to give confidence in its conclusions it identifies four separate sets of scriptures that clearly define the sequence for the events that will lead to christ s return and the christian rapture resurrection everyone even those who are not familiar with either the bible or the christian theology should easily understand this book they will understand the entire endtime scenario that jesus christ foretold the major happenings that will take place the sequence in which they will happen and the specific scriptures

that describe all these things moreover they will understand how all of these things relate to god s covenants and his labors of the past 6000 years they will see that all of the endtime happenings are just the grand finale of those labors most importantly each reader will not only allow what is going to happen in the endtimes he or she will know how they can control their own eternal destiny

insights into the book of 1 corinthians life in the kingdom of god is life lived in and for community this principle guides paul as he writes his first letter to the fractious class conscious and sometimes unruly christians in corinth the apostle calls them to consider how their actions here and now reflect the realities of god s rule which will be unveiled fully only at the end of time this difficult struggle to bring the eternal realities of the kingdom into the daily grind of life is a problem as great today as it was in the first century

between ancient prophecies and breaking headlines the end times can feel like a giant puzzle with missing pieces in this book the hosts of the faith friction podcast dig into scripture with curiosity humor and a healthy dose of real talk unpacking what s unfolding now and what could be coming next when the faith and friction crew were invited to witness the red heifer selection process animals tied to an ancient prophecy that could ignite world changing events little did they know they stepped straight into a mystery thousands of years in the making what could this sacrifice mean for believers now and how close are we to seeing it unfold this book invites you into a story where the lines between ancient prophecy and modern life blur with clear modern language and gripping questions it s designed to spark curiosity for anyone hungry for answers about the unseen forces shaping our time the deeper you go the harder it is to look away as the authors pull back the curtain on ancient prophecy and today s headlines you ll uncover the ancient rituals that could unlock the mysteries of the end times connect christian and jewish perspectives to see prophecy come alive both in history and modern day dive into scripture and controversy surrounding the third temple the antichrist the rapture and tribulation get sharp modern answers to the questions that many are too afraid or too confused to ask and step into the investigation yourself dig deeper challenge what you thought you knew and gain confidence in the end times conversation jesus is coming back do you know what to expect are you ready to dig into the truth and find out what s next in the cosmic story the countdown has already started

are you living with the end in sight dig deeper into what the bible says about the end times and gain insight into god s plan for your future todd hampson s companion workbook to his bestselling the non prophet s guide to the end times makes the challenging study of bible prophecy clear understandable and fun with more than 100 helpful and humorous graphics and illustrations you can explore scriptural prophecies and discover answers for your questions about the last days such as how

does fulfilled bible prophecy affect our view of prophecies not yet fulfilled what can we learn from those who were watching at jesus s first coming how can we discern between conspiracy theories and trustworthy facts that line up with end time geopolitical signs the non prophet may be a day late and a dollar short when it comes to understanding bible prophecy but that doesn t mean you have to be my prayer is that you will use this workbook to form deep and lasting convictions about end time events i also pray this study will help you make sense of the world today and discover a little more about your personal calling as you serve god in your generation todd hampson this workbook is designed for use with the non prophet s guide to the end times

offers a rich discussion of belief in life after death

this book builds on a sociological approach to cognition emotions and constructions of time to show the motivational force of endtime thinking and identity
